Republican Creed

We believe that...

- The free enterprise system is the most productive supplier of human needs and economic justice,
 - That all individuals are entitled to equal rights, justice, and opportunities and should assume their responsibilities as citizens in a free society,
 - That fiscal responsibility and budgetary restraints must be exercised at all levels of government,
 - That the Federal Government must preserve individual liberty by observing Constitutional limitations,
 - That peace is best preserved through a strong national defense,
- That faith in God, as recognized by our Founding Fathers is essential to the moral fiber of the Nation.
